

Invest your talent in ours.

Chief Executive

£competitive package • North Lincolnshire

Getting the best deal for our communities demands a breadth of skills, experience and vision. It needs the commercial focus to invest wisely and lead innovation, coupled with a wholehearted commitment to improving people's lives and opportunities.

Having recently celebrated our 10th birthday we are looking to the future with confidence. Our new Chief Executive will build on our achievements to date and work closely with colleagues and partners to map out our future direction and put the right tools and resources in place to take us where we want to be. You'll be a visible leader, both within and outside the organisation, promoting our work and modelling our values. You should be an individual who will set high expectations, but who will also bring an empowering and inclusive style to support and develop talent from within. Commercially astute, you'll understand how to deliver social benefit through good business management and investment, as we seek to grow further, diversify our Group, and deliver even better outcomes for our customers.

Visit www.ongotrulybrant.co.uk to find out more, or for an informal & confidential discussion please contact Anne Elliott or Simon Wright at EMA Consulting on 01926 887272. Closing date: 10am, 3 January 2018.
